

Bliss Home & Diana Fox

a winning team that will help turn your home into your perfect haven.

The home design program was perfect for us. Not only did the store have fresh, stylish pieces, but to have Diana helping us through the decision-making process made a big difference. Her input made the experience more fun and less stressful. And most importantly, we got fantastic results! Thank you, Bliss Home!

Thank you so much for helping us pick out all of the furniture for our new house. It was so generous of you and we are so excited to put it all together and help make our house a home. You made the task much easier.

After sixty seconds of flipping through my iPad pictures, Diana ascertained the layout of my home, my personal aesthetic, and my color palette, among other things. Allowing me to rattle on about silly details, she took a zen-like walk around the huge showroom and placed her hand on seven or eight items that were perfectly suited to me and my space. Then, she told me what wouldn't work. Genuinely, she is that good.

Shortly after moving to Knoxville this past year, I discovered Bliss Home and Diana Fox. She took the time to talk with me about my style, the look I envisioned and my lifestyle – and she absolutely 'got it.' Not only did she make wonderful suggestions for additions to my home, but she saw the furnishings and accessories I already owned with a new eye. Something as simple as moving a piece of furniture a few inches, or changing the orientation of a seating arrangement gave my rooms a new freshness and sense of comfort.

Bliss Home has an amazing selection of items that you will not find anywhere else and I can honestly say I am thrilled with every purchase I have made. In fact, just recently, a good friend visited from out of town and I can't count the number of times she asked "Where did you get that sofa (or painting, or lamp)!!?" And the answer every time was: "This wonderful store, Bliss Home!"

The beautiful rug I purchased at Bliss Home was a perfect match and really complements the dining room colors and accessories. I'm glad I purchased the lime green candle holders as well! :-)
Thanks for your help and outstanding customer service!
